Christian Aid prayer for the week: Pray for our work to tackle genderbased violence in El Salvador, where 400 women were murdered between January and October 2015, and almost half of women report experiencing domestic violence. Pray for all who suffer or have survived domestic violence around the world, and all who challenge it. Pray for our partner FESPAD, working in Mejicanos, a municipality close to the capital city of San Salvador, now notorious for gang violence.
